

WHISKER REPORT

This report summarizes the package whisker test results for ITO-220AC-2L. Accelerated environmental test have been performed according to JESD201A and internal TSC quality and reliability requirements. Package details and whisker test results are summarized as follows:

Product Details:

Supplier:	Taiwan Semiconductor Co., Ltd.
Package Type:	ITO-220AC-2L
General Specification:	JESD201A

Package Type Covered:

ITO-220AC-2L

Whisker Test Results Summary:
